Oval & Rhombus  
**Bits of Intelligence:**  
World Wildlife  
**Vocabulary:**  
Kudos: fame, honor, glory or praise for an achievement  
Luster: a bright shine or glow

## Language Arts

Our theme for the week's discussion will include "Who are the people in your family?" "What does being a member of the family mean?" The children will also enjoy finding out which gender outnumbers the other within the home, girls or boys.

## Concept

We will begin counting by tens to one hundred this week. We continue to observe our sweet potato plant and will record any changes. Ms. Jen will open up the water table this week for some extra fun.

### Fable

The Boy and the Hazelnuts

### Moral

Do not try to take too much at one time.

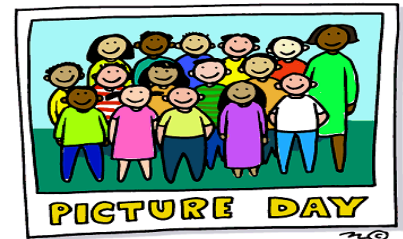

## Craft and Writing

We begin the week with a special family paper.

Our readiness papers will include the numbers 11 and 12. Our little hands will be busy working with scissors this week. We will also be making pumpkin playdoh to enjoy.

## Picture Days

November 8th and 9th

Caroline Pentek is having a birthday on November 1st.

## Motor

In the motor room the children will play Hot Potato and musical rugmats. Our path activity will include hula hoops to jump in and out, cardboard blocks to jump over and the balance beam.

The tunnel will be brought out to add to the fun!
