Theme: The First Thanksgiving

Language Arts: Many finger plays and flannel board stories focusing on this special holiday will fill our week. Our Picture File will exhibit pictures to enhance our discussions about the First Thanksgiving. These pictures will include Native American Indians, Pilgrims and the First Thanksgiving Feast Table.

Concept: In celebration of the First Thanksgiving, we will be creating patterns and counting with turkey feathers. We will also explore the science of growing plants for the harvest time.

Craft & Writing: In preparation for our Thanksgiving feast that we will partake in next week, we will be creating Native American headbands, necklaces, and the Mayflower boat.

Motor: Let's strut, wobble, and gobble like a turkey and do the turkey trot this week. Of course, the obstacle course and basketball hoop will keep us busy too!
