LANGUAGE ARTS: Bring in a family photo for our family bulletin board. We will discuss *happy* and *sad* during puppet time.

CRAFT AND WRITING: We will be working on papers that reinforce our two new letters li and Jj and colors yellow and green. We will be finger painting and using paint brushes this week too. Play-doh will also be a part of our fun-filled week.

CONCEPT: Letters li and Jj will be added to our shelves this week. Along with the colors yellow and green. The children will also use the balance scale to measure items that are heavy and light. The children will be working a lot with numbers this week with one-to-one correspondence, counting and matching jobs.

MOTOR: This week, the children will be working on a variety of equipment as they complete an obstacle course using the balance beam, tumbling mat, hula-hoops and the spring board. We will be going outside as much as we can, weather permitting, so please make sure your child is properly dressed for the weather each day.
