**THEME: Thanksgiving**

November 6-17, 2023

For the next two weeks, our discussions will focus on the Thanksgiving holiday. Native Americans, Pilgrims, and turkeys will be explored through stories, songs and fingerplays. We will be reviewing all that has been introduced so far this year.

Please remember to dress your child for chilly morning temperatures, as we go outside early in the morning.

Have great week!!

**Concept:** Our colors and seriation skills will be reviewed using a turkey and turkey feathers. We will use fluffy pom poms to help us with our counting. Necklaces will be made for our Thanksgiving celebration and our dish washing skills will be tested at the water table.

**Craft & Writing:** To prepare for our Thanksgiving celebration, we will make Native headbands and vests. Some crafts created this week will include hand painting, water color painting and collage work. We will continue to work on our pre-writing skills.

**Motor:** Our jumping, crawling, and rolling skills will be put to the test as we participate in an obstacle course. We will shake our turkey feathers as we dance to the "Turkey Pokey".
