

Bobbie Noonan's Child Care  
Pre-K Newsletter  
November 27 - December 1, 2023

**Theme:**

Families/Celebrations

**Introductions:**

Letters Qq & Rr

Shapes Star and Pentagon

**Language:**

This week we will talk about our families and discuss the many celebrations there are at this time of year. Please help us with this by writing a small story about the way your family celebrates the holidays (**check your child's folder for the form**). We will share your stories with the children during class time. **If you have not turned in a family photo, please include a family picture for your child to show!**

The letters Qq and Rr will be introduced along with their phonetic sounds. As always, books about Christmas and celebrations are welcome, just make sure your child's name is on it. To help us review all of our letters introduced, we will be playing letter bingo and a letter matching game.

Show-n-Tell will be on Wednesday! Please bring in one item that begins with the letter Qq and one item that begins with the letter Rr. Both items must fit into a gallon zip lock baggie that is labeled with your child's name.

**Craft & Writing:**

The children will be working on tracing and printing the letters Qq and Rr along with some following directions papers to reinforce our new shapes star and pentagon. We will continue to work on printing our names and our cutting skills. Keep a look out for some fun Christmas art projects.

**Concept:**

In Concept time, the shapes star and pentagon will be introduced as well as shelf jobs to reinforce the new shapes and the letters Qq and Rr. We will also be working on seriation and matching activities to reinforce our theme. Along with the new introductions, new jobs will be added to the shelves.

**Motor:**

The children will be doing an obstacle course with hula-hoops, jump ropes and the tunnel, the children will also practice going up and down stairs and we will be using the Let's Get Moving activity mats.

**Student of the Week:**

Max Diestelmeier

**Show-n-Tell will be on Wednesday!**

Please bring in one item that begins with the letter Qq and one item that begins with the letter Rr. Both items must fit into a gallon zip lock baggie that is labeled with your child's name.

Your child may bring in **ONE NON-BREAKABLE** ornament to help decorate our Christmas tree. Please make sure their name is on it somewhere, so we can return it to them when Christmas is over.

Have a Great Week!  
Mrs. Chrissy & Mrs. Jen
