Ms. Riley and Mrs. Ashley

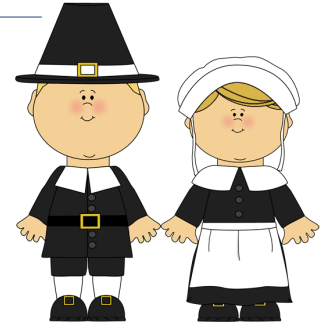

Positively Pre-K

Week 14: November 14th-18th, 2022
Theme: Thanksgiving and the Pilgrims

Review:

Letters: A-N

Numbers: 1-14

Language Arts: Throughout the week, we will be discussing Pilgrims and the First Thanksgiving. A better understanding of who the Pilgrims were and why they came to America will be gained. We will enjoy tons of stories and fingerplays and even use our imaginations by pretending that we are Pilgrims on the Mayflower.

Craft and Writing: The children will be working on tracing our new letters along with working on phonics papers that help us review all the letters that we have learned so far. We will also begin working on Thanksgiving projects.

Concept: The children will be counting turkey feathers, estimating, and using the tactile bag. We will play, "Can you tell me?" as well as compare and contrasting different items. We will also work on creating patterns with a stringing activity. We will make a compare and contrast chart for Pilgrims and Native Americans.

Motor: We will have an active week as we practice our aim with a tossing game and enjoy activities we've already learned while completing an obstacle course.

Notes to Parents:

- Our Thanksgiving Pow Wows will be on Monday, November 21st and Tuesday, November 22nd. More information to come!
- Please like us on Facebook to see exciting things happening at our school!
- Parents, please remember to label extra clothes, blankets, and cot sheets.
- Remember to send your little ones in appropriate shoes for school. We require gym shoes for playing on the playground. Thanks!
