Weeks of 11/27 & 12/4

**Theme: Families**

**Happy Birthday Jabal & Jad Al Fahmawi 11/22 and Camellia  
Coleman 12/8!**

**Please bring in a family picture so we can display it in our  
room as we talk about our families!**

**Concept:** With the holidays here, we are all getting ready to spend plenty of time with our families. We will be talking about the things we do and the time we spend together. We'll talk about the different members a family can have; like Grandparents, cousins, Aunts and Uncles. We will also keep reviewing our one to one correspondence activity.

**Motor:** In Motor, we will continue to practice healthy living by adding windmills to our exercise routine. We have all been working hard to stay on the balance beam, so let's get some more practice! We will also have fun outside, so please make sure your child is dressed appropriately.

**Language Arts:** We will look at pictures of the variety of families in the world. Some are small, some are big, some are young and some are old. We'll do a finger play called "Finger Families." A new flannel board story will also be introduced called "Grandma and Grandpa." Finally, we will continue our new listening activity called "Tap tap your rhythm sticks."

*Grandpa is my buddy, Grandma too.  
They always try to help me with what I want to do  
We go everywhere together, like  
the supermarket or the zoo  
We go to a restaurant and a toy store too!*

**Art:** We will make art projects to bring home to our family, and also work on some special projects that will be sent home for the holidays.
