Topic: Five Senses

INTRODUCING: 7 & 8

Proverb #1: Do unto others as you would have them do unto you

Fable #3

Manners 5 & 6

LANGUAGE:

“Brown Bear, Brown Bear What Do You See?” is just one of the books we will read this week as we learn about our 5 Senses. We will also look at many pictures and sing songs. Our class will play a game called, “What’s That Sound?” Letters A-G will be reviewed along with our reading stories.

CONCEPT:

We are scientists and we can learn all about how information gets to our brain through our senses! We will be doing many hands on activities to reinforce this topic. Numbers 7 & 8 will also be introduced this week and added to our job shelves.

CRAFT AND WRITING:

This week our class will make a Mr. Potato head to help us learn about our 5 Senses. We will also be doing some papers to help us learn numbers 7 & 8. Be on the lookout for fun projects to come home that will show you what we are learning.
