SPECIAL CHRISTMAS EDITION

'Twas the week before Christmas, and all through the school
The students were behaving — good manners did rule
For the children, all knew that a visitor soon would be on his way
He'd be coming with gifts piled high in his sleigh
So they listened, sat still, and tried to wait patiently
For the big day to arrive — how they waited with glee
They made out their list and then checked it twice
They tried extra hard to be especially nice
For Christmas is a time filled with hope, wonder, and joy
It is a time filled with the dreams of good girls and good boys!
