Language:
We will spend the next three weeks reading many Christmas stories and singing songs! We will be playing Christmas bingo and we will have some new Christmas flannel board stories. We will continue to review letters Aa-Rr, phonetic sounds and our reading story words. We will also be looking at pictures that show the different ways people around the world celebrate the holidays.

Craft & Writing:
Over the next three weeks, the children will be making many Christmas art projects to reinforce our theme. We will also work on size seriation, matching and tracing papers along with papers to strengthen their cutting skills. The numbers 15 & 16 will be reinforced with counting, tracing and printing papers.

Concept:
In Concept for the next three weeks, we will be estimating and counting bows and estimating lengths of different Christmas ribbons. We are also going to compare and contrast a Christmas stocking and a regular sock, play what's missing and use the tactile bag. The children will also be talking about the change in the weather; they will be working on Christmas matching activity along with pattern activities. The numbers 15 & 16 and a few new jobs to reinforce our theme of Christmas will be added to our concept shelves.

Motor:

The next three weeks we will be playing Hot Potato and Musical Chairs while listening to Christmas music. To help us follow directions and with our body parts we will play Santa Says (Simon Says) and a special version of Ring Around the Rosie. Also, the children will work on their balancing skills by walking on the balance beam and using the stair steps.
