fabulous: *unbelievable, impossible, amazing*

Language Arts: Ready, set, go! This week we will be learning about all the different ways we have to get around. We will be talking about planes, trains, and automobiles. Some of our favorites like "Down by the Station" will be read. We will also play a fun review game on wheels. What a busy week we will have!

Concept: This week the children will be working on positional words. We will also work on air, land and water activities throughout the week. "Kookaburra" will pay a visit to our concept room. Kookaburra is a puppet that will help us with our counting and estimation skills.

Craft & Writing: Watch out: because our theme this week is transportation! Look out for lots of vehicles and other things that help us go flying or racing home. From boats and airplanes to trucks and tractors- we will touch on cool ways to get out and go. We'll also be making Valentine's Day paintings and projects!

Important Days:

February 2.....**Happy Birthday Nicole Kuryliuk!**
February 7.....**Happy Birthday Daniel Harcar!**
February 9.....**Happy Birthday Eloise Hundley!**
February 14.....Valentine Party-12 children in our class,
