Theme: Careers
Introduce: pink & white
Week of 1/22
Happy Birthday Augis Hood 1/26!

Concept: This week we will be talking about different jobs that our Mommies and Daddies do. Did you know that we do our own special jobs in the concept room every day? The colors pink and white will be introduced and added to the jobs on the shelf. We will also play a game where we match pictures of objects to the actual object. Making bubbles in the water table with soap and egg beaters will be lots of fun!

Language Arts: What will I be when I grow up? We are not even sure yet but we will talk about some of the many things we can be. We will pretend to be dentists, zookeepers, farmers, police officers and anything else we can think of. We will also introduce the colors pink and white.

Craft & Writing: What do you want to be when you grow up? A doctor, an astronaut or maybe a teacher? Whatever it is we will be talking about careers this week. We'll be painting with the colors pink and white.
