

# Kindergarten News

January 22 thru February 2, 2024

**THEME: Space & Planets**

10,9,8,7,6,5,4,3,2,1... BLAST OFF!!!

We will explore our solar system for the next two weeks. We are on our journey through the solar system. Exploring all 8 planets will definitely have our minds in celestial overload!

Our BIT cards will feature the first ten Presidents. Each president is discussed in the order in which they served our country.

## Craft and Writing

The Kindergarten children will continue to use lined paper to write letters, words, and numbers. During the next two weeks, we will create a rocket ship, and an astronaut. The children will be writing information about the sun, moon, stars and Earth. They will also write about taking a trip to the moon!

## Math & Science

In *Math*, the children have been learning to tell time by the hour as well as learning about fractions. This week, they will learn how to tell time by the half hour, and they will increase their knowledge of fractions using playdoh.

## Language

The children will be learning about blends. A consonant blend is two or more consonant letters that come together in a word. Their sounds blend together but each sound is heard. The "l" blends will be introduced first; bl, cl, fl, gl, pl, and sl.

## Important Info

- **Registration for the 2024-25 school year** Registration began January 15. All current students need to re-register for the new school year. If you return your **fall registration** forms by February 15, you will receive 50% off your registration fee. Request your registration form today! Registration opens to the public on February 15.
- **Parent Teacher Conference: Monday, February 19.** Info will be sent home soon.
