THEME: Dinosaurs

February 19 thru March 1, 2024

Dinosaur-mania will sweep over our classroom as we begin a two week unit about Dinosaurs.

The students will learn that the age of dinosaurs was known as the Mesozoic Era and was divided into three parts: the Triassic, Jurassic and Cretaceous periods.

Important Info

Parent Teacher Phone Conference
Monday, February 19. School closed to half day & extended day students.

Registration

Registration for the 2024-25 school year has opened up to the public. Tell your family and friends.

Photo Booth

Don't forget to stop in and take a picture of your child at our photo booth.

Craft and Writing

Look out for lots of prehistoric dinosaurs to come your way over the next few weeks. We will write about dinosaurs and draw pictures related to our dinosaur writing.

Math Science

In Math class, the children will continue to learn about subtraction. The penny, worth 1 cent and the nickel, worth 5 cents will also be introduced.

Science

There are dinosaurs of many sizes. Some are huge while others are as small as a chicken. Some dinosaurs had feathers. All of this will be discussed during science time. We will also discuss the eating habits of dinosaurs. The children will learn new words such as carnivore, herbivore and omnivore. What do these words mean? Ask your child.

Language

The children will learn about **R blends**, such as *br, cr, dr, fr, gr, pr, tr*. We will match pictures to the correct blend and work on blend papers to reinforce this new concept. The children will also learn about two new word families.
