Nursery News

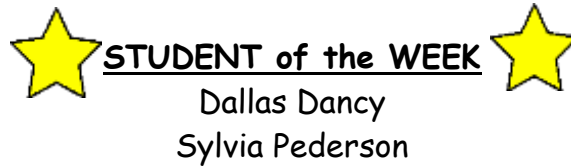

THEME: Colors

We will explore colors in a new way. The children have already learned about several colors but through art, concept and stories they will learn a different perspective of colors. Let's celebrate the week wearing our favorite color!!

The color gray will be added to the world of colors.

STUDENT of the WEEK

Dallas Dancy
Sylvia Pederson

Language Arts: Colors here, colors there, so many colors everywhere!! This week our class will talk about the colors that have already been introduced so far this year. The color gray will be added to our color chart. We will have fun exploring these colors through flannel board stories and storybooks. Get ready for a colorful week!!

Concept: Counting colors will enhance both our theme and develop number skills. Sorting jobs from our shelves will reinforce big, little, and color sequence. We will explore color mixing through a fun experiment.

Craft & Writing: White and black make gray!! Get ready to learn about color mixing as we get creative with our finger paint. Our little artists will make several works of art throughout the week.

Motor: Color Hat Toss is a great way to review our colors and develop eye/hand coordination. A color relay race will get our leg muscles into shape. Stretching exercises will help to keep our bodies limber.

Important Info

Spring Break March 25-29. Center closed to children who attend the morning session only. Classes will resume April 1. .

Job Opportunities

Are you looking for a job? Do you know anyone who loves children? We are looking to grow our staff for summer and fall. This is a great opportunity for college students or stay at home moms. Please contact Mrs. Geri or Mrs. Paula.
