**Theme: Transportation**

**February 5, 2024**

The excitement of planes, trains and automobiles will begin this week.

With Valentine's Day right around the corner, we will spread the love through poems, songs and stories

Mrs. Desi, Mrs. Taghrid,, Ms. Melissa and Miss Riley

**Language Arts:** We will look closely at pictures of cars, motorcycles, boats, airplanes and trains. We will explore the many modes of transportation we use through story books, finger plays, and music, and pretend to be a traffic light. .

**Concept:** During this week, we will be putting the right form of transportation with its property. An example of this is: *boat/water*. We will be matching cars to their right size garage. The water table will be opened at the end of the week.

**Craft & Writing:** Vroom, Vroom!! Our class will paint their favorite vehicles this week. We will also have fun playing with shaving cream and making traffic lights this week.

**Motor:** We will be getting our exercise this week! Push-ups and toe-touching will be introduced. Our bean bags will be used to help differentiate color and size. The balance beam and stair step will be used as well.
