

# Pre K Press

February 26, 2024  
Transportation

During this second week of transportation, we will learn about different vehicles used in the work place.

The shapes, **octagon** and **trapezoid** will be introduced this week.

## ★ Student of the Week ★

Lucy Moreno      Claire Williamson

**Concept:** This is a week to build on our place value skills in math as we move to master the ones place. We will also be learning about magnets in our science unit.

**Language Arts:** This week, the children will discuss the fact that some vehicles used for transportation, such as trains, planes and automobiles. Our new sight word poem for this week will highlight the word "**Big**". We will also enjoy books written by Dr. Seuss.

**Craft and Writing:** *Octagon* and *trapezoid* are introduced throughout our papers. We will work on recognizing shortest and longest objects through readiness papers and other transportation papers. A "Cat in the Hat" project will be done at the end of the week.

**Motor:** We will continue to practice finger spelling our names in sign language. The exercise mat will be used to practice our front rolls. Bowling is a great game for inside. Who can bowl a STRIKE?

### Important Info

**Spring Break** March 25-29. Center closed to children who attend the morning session only. Classes will resume April 1.

### **Job Opportunities**

Are you looking for a job? Do you know anyone who loves children? We are looking to grow our staff for summer and fall. This is a great opportunity for college students or stay at home moms. Please contact Mrs. Geri or Mrs. Paula.
