Week 30 Dr. Seuss

March 4—8, 2024

INTRODUCING: Qq and Rr

LANGUAGE AND READING:

This will be a fun week for sure as we learn and read Dr. Seuss stories! Each day, we will read a different story written by Dr. Seuss. We will talk about rhyming words and discuss some of the fictional characters he uses in his books. The letters Qq and Rr will be introduced along with their phonetic sounds. We will add these letter pieces to the 'A' is for Amos song.

CONCEPT:

We will review the numbers 1—10 through various activities. We are now counting up to 30 daily with the children. They are doing a great job! Ask them to count for you on the way to school!

Using the book One Fish, Two Fish, Red Fish, Blue Fish, the children will get to pattern using red and blue fish. We will play other group activities with the children using Dr. Seuss books.

CRAFT AND WRITING:

The children will learn to trace and write the letters Qq and Rr and work on readiness phonics papers.

We will create crafts corresponding with the books we read by Dr. Seuss. Do you like green eggs and ham? We are certain you will after seeing the art project your little Picasso designs.
