

# Junior Journal

Theme: **OCEAN**

April 1, 2024

The children will enjoy learning about aquatic life and the oceans that surround our continent. The letters **Qq** and **Rr** will be introduced this week. With the weather finally getting warmer, we will be going outside on a daily basis. It tends to be chilly in the morning, so please dress your child appropriately. Manners introduced this week include, "Pick up after yourself", "Do not point at people", and "Say, Excuse me".

**LANGUAGE ARTS:** With the help of our picture file and things on our theme table, we will discuss the life of animals, fish, and plant life in our oceans. Rhythm sticks and musical instruments will enhance our listening skills.

**CONCEPT:** This week we're learning all about oceans. We will use ocean animals for various counting activities. We will also conduct an experiment with salt water.

**CRAFT & WRITING:** Many different sea creatures will be created this week, including a jelly fish puppet. Visual dexterity will be enhanced as we draw a line to the matching sea shells.

**MOTOR:** Walking like crabs and swimming like other ocean animals will enhance our ocean theme. Outside play will take place, weather permitting.

**Happy Birthday!**

Quinn Larson 4/1

## **Important Info**

**Vision & Hearing Testing** Please send in your response by April 2.

**End of the Year Program Saturday, May 18**

## **Job Opportunities**

Are you looking for a job? Do you know anyone who loves children? We are looking to grow our staff for summer and fall. This is a great opportunity for college students or stay at home moms. Please contact Mrs. Geri or Mrs. Paula.
