Which dinosaur is your favorite?

Introductions

Heart & Star

Language Arts: Stomp dinosaur, and dinosaur roar!!! Get ready because the dinosaurs are coming! This week, our class will discover the many mighty dinosaurs that lived long ago. We will look closely at real life pictures as well as books and listen to the 5 Little Dinosaurs flannel board story.

Concept: Sorting, counting and seriation of dinosaurs will take place this week. We can't resist using blocks for these dinosaurs to climb. We will play a shape sorting game and look for shapes through a scavenger hunt. . We will also watch a dinosaur egg hatch. Oh, what fun!!!

Craft & Writing: Our class will be creating "Dinorific" artwork, as we explore with watercolors and sponge paint. Watch for a dinosaur craft to come home too!

Motor: We will have fun marching like dinosaurs to our favorite dinosaur song! The ball will be used for target practice.
