Bugs

SONG OF THE WEEK

"I'm a Big Cicada"

I'm a big cicada with eyes of red.
I fly around and hit you in the head.
I crawl up from the ground and climb a tree.
I make a funny noise that's just for me.

LANGUAGE ARTS: We will be talking about bugs over the next two weeks as we learn all about different types of insects. We will be learning a new finger play called "A Bug on Me," and singing songs such as "Itsy, Bitsy Spider" and "Ladybug, Ladybug."

CRAFT & WRITING: We will be working on many papers to reinforce our theme of bugs. The children will paint a bee with *yellow* and butterfly scrape painting. The numbers 5 and 6 will be introduced and added to our review. We will work on papers to reinforce our new numbers. To wrap up the two weeks, we will be making bugs out of play-doh.

CONCEPT: A favorite activity called Bug Splat will be brought out to review all concepts learned thus far, adding our two new numbers 5 & 6. We will also match colored bugs and review all the letters and numbers we've learned this year.

MOTOR: The ants will be marching all over the class over the next two weeks. We will practice balancing a lot, by standing on the balance board, standing on one leg and walking on the balance beam. We will also spend time jumping and we will go outside to run.

Memorial Day:

The school will be closed on Monday, May 27th.

Full tuition is still due for this week and there can be no switching of days.

Have a great week!
