

Junior Journal

Theme: Insects

May 20, 2024

Ants, Caterpillars and Spiders...OH MY!!!

We will explore the world of insects this week and continue to work on our final assessments for this school year.

The letters Y and Z will complete our alphabet board!!

Have a great week!

Mrs. Roxanne, Mrs. Mrs. Catherine and Miss Taylor

Language Arts: Eric Carle's books, "The Very Hungry Caterpillar," "The Very Grouchy Ladybug," and "The Very Busy Spider," will enhance our theme this week. Hand clapping and feet stomping will aid in the development of listening and rhythm skills.

Concept: Get the magnifying glasses out! This week, we will explore the great outdoors to see how many insects we can discover. Our estimating skills will be enhanced by guessing how many insects are in my jar. We will also explore some new jobs involving bugs.

Craft & Writing: We will practice printing our new letters and continue to work on our May assessment. To enhance our theme, caterpillars will be created.

Motor: Oh, we are so happy to be outside! This week we will hop like grasshoppers and soar like butterflies.

Important Info

Memorial Day-Monday, May 27. Center closed.

Last Day of the school year is Friday, May 31
