

Junior Journal

Theme: Spiders

May 13, 2024

What is the difference between insects and spiders? We will find out this week. The teachers will also be working on final assessments. Report cards will be sent home at the end of the month.

Mrs. Roxanne, Mrs. Catherine and Miss Taylor

Language Arts: Our picture file and storybooks will be filled with spiders this week. YIKES!!! The children will get their hands clapping, feet stomping, and toes tapping as we listen to many happy tunes.

Concept: We will talk about different types of spiders. We will also compare and contrast spiders and insects.

Craft & Writing: The children will continue to work on the printing portion of our final evaluation for the school year. To complete our unit on insects, we will create spiders from a paper plate.

Motor: We will practice our balancing skills on the balance beam and eye/hand coordination using the ball and wand this week. Of course, if the weather cooperates we will spend time outside on the playground.

Important Info
