

**Bobbie Noonan's Child Care**

Palos Hills

**Junior Journal**

Week of May 6

Theme: Insects/Spiders

Vocabulary: magnify - *To make something look bigger*

**Language Arts:** Bugs, Bugs here and there, bugs, bugs everywhere. This is the time of year when all our six and eight legged friends come crawling out of the wood work. For the next week we will be exploring the world of insects, bugs and spiders. We will read some Eric Carle books such as *The Grouchy Lady Bug* and *The Very Quiet Cricket*. We will make bug puppets and sing songs such as "The Itsy Bitsy Spider".

**Craft & Writing:** Our theme for the next week will be insects, bugs and spiders. Watch for some creepy, crawly art projects to come home! We will also continue to work on pre-printing skills and gifts for Mother's Day.

**Concept:** We are looking forward to spending some time outside to look for bugs. We will even be bringing a magnifying glass out with us to take a "closer" look at some of the insects. I will add a ladybug job to my shelf and will continue reviewing all the concepts we have learned.

**Important Dates:**

May 27.....Memorial Day/**School closed, full tuition is due**  
May 31.....Spring Program here at Bobbie Noonan's. Our performance is at 5:30pm, please arrive 10 minutes before  
June 2.....Last day of school
