THEME: Creepy Crawlers
May 13-24, 2024

For the next two weeks, we are getting to know our creepy crawl-lie friends. This is usually a favorite topic of the children!!

Have a great week!!!

Mrs. Desi, Mrs. Taghrid, Mrs Amy and Ms. Melissa

Language Arts: We will discuss the lives of ants, caterpillars, butterflies and spiders. "There's A Bug on Me!" is a fun finger play the children are sure to enjoy. The flannel board story "The Itsy, Bitsy Spider" will be a familiar enhancement to our week. Author Eric Carle, has many stories to reinforce our creepy crawlers' theme. We will be singing about bees, lady bugs and caterpillars.

Concept: Through sorting and matching by size and family, the students will learn different concepts of these creepy crawl-lie friends. They will have fun searching for these insects while outside on a nature walk and practicing their pouring skills at the water table.

Craft & Writing Crayons, watercolor and finger paints will help create bug pictures. Play doh will help strengthen our fine motor skills.

Motor: The children will be participating in an obstacle course to reinforce activities we have been exposed to over the past few weeks. We will be using the riding toys this week as well.

Happy Birthday

Vivian Mann 5/26

Special Info

Memorial Day-Monday, May 29. Center closed.

Last Day of the school year is May 31
