Theme: Farm

May 20, 2024

Farm animals will continue to be the topic of discussion this week. Over the next several weeks we will be conducting final assessments for this school year. Report cards will be distributed during the last week of school.

We have some wonderful and exciting news!!! Our embryology project was a great success, as 5 baby chicks hatched this past week. This for sure, was a great learning process for them and they should be able to tell you all about it...just ask!!

Language Arts: We will continue to learn and explore different types of farms around the world. We will enjoy singing "Old McDonald" and "Had a Rooster by the Barnyard Gate."

Concept: Farm animals will be used this week in our compare and contrast activity. We will continue learning about all of the wonderful things that come to us from farms.

Craft & Writing: This week we will continue to work on beginning sound papers, and also add ending sounds to the mix. We will enjoy finger paint and slime this week.

Motor: During our second week of Farm, we will be working all of our body parts playing *Duck, Duck, Goose* and hopscotch. Relay races will be a fun way to finish out the week.
