Language

This week the children will revisit their favorite *Center Activities* from the past school year. We will practice taking care of pets during a Veterinarian Center activity, cook healthy foods during our Restaurant Center, and practice building houses during our Construction Site Center. *Story Time Books* read this week will include "Some Pets," "Animal Doctors," "Good Enough to Eat," "Chefs," "Mighty, Mighty Construction Site," and "Let's Build."

Concept

In Concept class this week *Sensory Bins, Block Center Activities, and Small World Activities* from throughout the school year will be explored! This will include a "Building Apple Trees" Block Center activity, a "Winter" Sensory Bin, the "Dinosaur" Sensory Bin, the "Dragon" Small World activity, and the "Three Little Pigs" house building Block Center activity.
