

# Lockport Junior Newsletter

Weeks 40 & 41

May 13 to May 24, 2024

## Birds

### LANGUAGE AND READING:

We did it! We have completed the entire alphabet. We learned all the sounds of each letter by singing 'A' is for Amos. Ask your children to sing some of it for you.

For the next 2 weeks the children get to learn about birds! We have many songs and books about birds to help enhance this theme. We will also learn some fun facts such as, not all birds fly!

### CONCEPT:

Birds are everywhere. We will get our bird glasses on and go outside to sight see! We will place birdfeeders outside and see if the birds will eat from them. We will also look for bird nests. We have many, many bird jobs to put on the shelves, We also will learn the parts of birds. Lastly, the children will sort, count, measure and have building activities with birds.

### CRAFT AND WRITING:

Fine motor skills will be done daily for the next 2 weeks. We will work on printing skills and tracing activities. A "feathered friend" activity will be done. We will get to cut feathers for a fine motor activity too. To finish out the school year, the children will get to play with shaving cream, kinetic sand, play dough, finger paints and more messy art and craft products!

### PARENT NOTES:

Happy birthday to Kaylee!

Spring Sing is on Thursday, May 23 @ 5:00.

Last week of school is the week of May 27. We will be closed on Monday for Memorial Day.

May 31 is the last day of school.
