

Lockport Kindergarten Newsletter

Week 40 & 41

May 13—24, 2024

Butterflies

LANGUAGE AND READING:

Have you ever heard of The Very Hungry Caterpillar or Charlie the Caterpillar? These are two wonderful stories about caterpillars turning into butterflies. For the next 2 weeks we are going to learn about caterpillars and butterflies. We will continue to practice reading and we will review short and long vowel words.

CONCEPT:

We have caterpillars in our classroom and will continue to watch metamorphous occur. The children will get to explore science books and a poster on the life cycle of the butterfly.

The children will also get to work on the jobs that are on the shelves.

CRAFT AND WRITING:

We will be fluttering around during craft and writing time. We have projects to complete for the end of the year and Father's Day. We will also make a symmetrical butterfly project. During writing time, the children will get to write about fun butterfly facts. Lastly, the children will have spelling tests on long vowel sounds.

PARENT NOTES:

Please bring in your child's costumes for the Spring Sing by Monday, May 20. We want to practice with the costumes on.

Spring Sing and Graduation is on Thursday, May 23 @ 5:45.

The last week of school is 5/27. We will be closed on Monday, 5/27, for Memorial Day.
