

## Lockport Nursery Newsletter

Weeks 40 & 41

May 13 to May 24, 2024

# CREEPY CRAWLERS

### LANGUAGE AND READING:

Butterflies, lady bugs, bumblebees, roly polys, spiders and more! There are bugs galore to explore! We will read some stories, learn new finger plays and sing one of our favorite bumblebee songs. We have a variety of insect pictures to examine.

We will finish out the year by reviewing daily all that we have learned throughout this school year with some fun review games.

### CONCEPT:

We plan on having some class time outside for the next 2 weeks. We will go on a bug hunt throughout the yard and explore what we find with magnifying glasses. We will also learn about the body parts of insects and the amount of legs spiders have. The boys and girls will have a chance to go off the concept shelves. Lastly, we will continue to say the days of the week and the months of the year.

### CRAFT AND WRITING:

These will be fun weeks of creativity as the children work on their craft and writing skills. We will make some beautiful butterflies, color pictures of bugs and learn how colorful creepy crawlers can be. We will also have fun working with shaving cream, play doh, slime and finger paint.

### PARENT NOTES:

The last day of school is May 31.

We are closed for Memorial Day on May 27.

Please make sure your child's extra school clothes are weather appropriate. Spring clothing rather than Winter clothes. Also, feel free to leave a sweater or sweatshirt here in case your little one gets cold.
