Going to the Zoo!

LANGUAGE AND READING:

Who doesn't love going to the zoo? We have been working hard all year long so now a trip to the zoo seems appropriate. Over the next 2 weeks, we will enjoy some stories about the zoo. We will learn what types of animals we find in the zoo and how the zoo keepers care for them.

CONCEPT:

The children will be busy working off the concept shelves. We will practice estimating by using the estimation jar. We will also play a guessing game with the students. To help with our zoo theme, the children will get to learn fun facts about different animals each day.

We have completed the embryology unit. We hatched 21 eggs!

CRAFT AND WRITING:

For the next 2 weeks the children will work on many readiness printing papers. We will also do the paperwork for the assessments.

During craft, we will make plenty of zoo animal projects.

PARENT NOTES:
