Theme: Final Favorites

As we wrap up an amazing school year, our final weeks will be packed full of all of our favorite themes and activities! All of our favorite songs and flannelboards will be sung during circle time such as The Wheels on the Bus, T-R-A-I-N, Little Bunny, Slippery Fish and The More We Get Together.

We'll continue to practice our sorting and matching skills as their little faces beam with pride. Our toddlers are so proud of this new skill. We'll get our rhythm sticks out as we master tapping to the beat. Our bodies will be moving and grooving as we dance with scarves and shake our shaker eggs! Jingle Bells and Bounce Like a Bunny will make a comeback for some holiday fun! Dinosaur toys will be a roaring good time as they stomp around the carpet. Easel painting along with hammer painting will be a blast during art time! Get ready for fun!!

Please be sure to RSVP for our special Parent Morning on Tuesday, May 21st. We hope you can make it!
