Week 41 May 20-24

Theme: Old Favorites

Language Arts: This week we will look back on many of our favorite books, songs and flannel board stories. Books for the week include Driving on a Tractor, Dump Truck Disco and The Very Hungry Caterpillar. The flannel board will come to life with “Brown Bear, Brown Bear” and “Five Green and Speckled Frogs”.

Concept: We continue to review numbers, colors and shapes through some of our favorite games. Our group activity will be making and enjoying Oobleck. Ms. Leah will pull out the children’s favorite shelf jobs and puzzles.

Craft and Writing: This week the children will be able to explore many different mediums as they express themselves through creative art. Wait until you see our special rainbow craft.

Motor: We hope the weather warms up so the children can enjoy some outdoor fun. Hooray! We love Mr. Sun! We will explore on a nature walk.
