June 17-21, 2024

Theme:
Safari

Buckle up and enjoy the fun in learning about our new summer theme Summer Safari. We will be learning about different safari animals and their interesting facts. If you have any books to go along with our theme, please bring them in labeled with your child's name.

Language:

We will be reading books and singing songs that are within the Safari themes.

Art:

We will be creating different art projects that are Safari and Animal themed. Some of these projects include making lions, tigers, bears, monkeys and zebras.

Math:

We will be exploring numbers and counting using the stripes on a zebra.

Motor:

The children will act out different animal sounds and actions and explore what it means to be a safari animal. We will also be roaming around our room to find different animals that we can share with our friends. We will be going outside daily, weather permitting.

Science:

The children will experiment with the cold temperatures as they ice skate with the safari animals.

Sensory:

The children will be exploring how different colors mix as they make chameleons.

Reminders:

If you want your child to wear sunscreen, please apply it at home before your child arrives to school. If you brought in a bottle of sunscreen, we will reapply as needed.

Important Dates to Remember:

Wednesday, June 19th - Foam Party

Please wear your bathing suit under your clothes and apply sun screen to your child before you arrive to school. You will need a towel, goggles, and water shoes.

**Have a great 2 weeks
Miss Hailee & Miss Eliana**
