Welcome to our Steam summer ! This weekly newsletter will keep you up to date with all of our exciting activities we have planned. Our first theme is Camping. All age groups will develop language skills through fingerplays and stories such as *We're Going On A Bear Hunt*, *Curious George Goes Camping*, and *Llama Llama Goes Camping*. Games like Frisbee golf and Marshmallow toss will keep our brains and bodies active. Look for art projects going home and decorating our school! Our STEAM activities will be Dancing Worms(gummy worms "dancing" with the help of vinegar and baking soda), old school tin can and string telephones, and a science project about the effects of temperature on fireflies using glowsticks.

Reminders:

Please make sure your child has an extra set of clothes(including underwear and socks) in their cubby. Please put the clothes in a Ziploc bag labeled with their name. Bring sunblock if you would like it applied to your child.
