

Red, White, and BOOM

Week #4: 7/1 to 7/5/2024

We are closed on Thursday, 7/4 in observance of July 4th!

Language Arts: Can you recite the Pledge of Allegiance? Your children can! Ask them to say it for you. This week we will learn about the United States and fun American flag facts. We will sing songs and play "I Spy" using the colors red, white, and blue.

Craft and Writing: This is a fun week for craft projects! The colors red, white, and blue will be used to make flags, fireworks, and we will work on readiness papers.

Concept: We have 4th of July jobs to complete such as patterning, memory, and sensory bins. During a classroom science experiment, we will mix vinegar, baking soda, and food coloring to create fireworks in a jar. Lastly, we will count daily and discuss the new month and season.

Notes to Parents:

- Don't forget to apply sunscreen in the morning before your child's arrival.
- Swimsuits should be brought to school on Monday mornings. They will be sent home for washing at the end of the week.
- Never hesitate to call or email with any questions or concerns.
