

BOBBIE NOONAN'S CHILD CARE—LOCKPORT
WEEK #2
JUNE 17-21, 2024

SUMMER CAMP—SPACE WEEK!

10, 9, 8, 7, 6, 5, 4, 3, 2, 1 BLAST OFF.....

We will be leaving Earth this week as we travel through space! We will learn the planets, enjoy the stars and meet some aliens. We are also going to make a robot to help us on our journey.

Everyday we are going to review our letters, numbers, shapes and colors. We will also work

on various art projects that deal with our topic. In addition, the children will work on various STEAM activities that pertain to space. This is going to be a far out week for sure!

We hope to go swimming this week if the weather permits.

On Tuesday, June 18 we have a guest speaker to talk to us about water safety.

Special character visitors will be here on Thursday, June 20 to put on a show for us.

PARENT REMINDERS...

Please label your child's swimsuit, towels and any other belonging that they bring to school.
