Our theme for this week is Summer Safari. We'll use our senses to explore a jungle sensory bin. Our bodies will get moving with a jungle obstacle course, animal actions, and a safari crawl. We'll be creating all kinds of different animals that you see in the jungle plus binoculars. Our STEAM projects are a science experiment that will help us see the difference between salt water and fresh water, constructing a jungle zipline, and making quicksand. In Language we'll read *A Trip to the Zoo*, and everyone's favorite— Five Little Monkeys Swinging From A Tree

### **Looking Ahead:**

**Wednesday, July 10– All Star Foam Party! Wear your bathing suit under your clothing and bring an extra set of clothes (underwear & socks too!), water shoes, and towel. LABEL EVERYTHING PLEASE**

**Friday, August 2– Last Day of Summer Camp. Last day of attendance for all students not returning for the school year.**
