

Taste of Summer

June 17, 2024

Our tummies will be tickled this week learning all about a variety of foods.

The children will use different types of foods to paint with, move like food through the veggie soup song and perform many cool science experiments using fruits, vegetables and even spaghetti. The children will also become "little chefs" as they prepare their very own healthy snack.

Bike Day -_Wednesday, June 19 . Please label all bikes and helmets, and park them at the back of the fenced area. NO scooters!!!
