

BOBBIE NOONAN CHILD CARE
LOCKPORT

Week #3
JUNE 24-
JUNE 28, 2024

CAMPING

LANGUAGE:

This week we will plan to have a great time camping! We will use tents, play camping games, sing songs and tell stories around the camp fire. We will watch out for bears and even go fishing!

CRAFT AND WRITING:

We will have plenty of craft projects to create this week. The children will get to make binoculars, paint with marshmallows, collect bugs in a jar and make leaf rubbings.

CONCEPT:

During concept we will design tents, practice lacing, sort fish and count pine cones. We will also go off the shelf and practice the calendar.

SPECIAL VISITOR:

On Wednesday, June 26, we are welcoming an environmental educator to teach us about worms! This is a fun topic that the children really love. We look forward to the presentation.

PARENT HOMEWORK:

Please send your child with a sleeping bag on Monday.
