

**Week #5**  
**Ships Ahoy Matey**  
**July 8th—12th, 2024**

### Craft and Writing:

This week as we jump aboard a pirate ship, the children will be creating many exciting crafts. They will trace and design treasure maps. We will make a pirate's hook, flags and even a pirate's hat!

### Language Arts:

Our little Pirates will enjoy listening to a couple flannel board stories and playing a matching game. Songs about the ocean will also be so much fun along with a pirate story called "If you Give A Pirate a Pretzel". The children will learn pirate rules, vocabulary and new pirate names!

### Concept:

The children are going to follow a treasure map during concept time. They will discover various treasures found in a sensory bin. We have a number/coin match game and we will try to sink a ship! Lastly, we have a parrot seriation activity!

### Notes to Parents:

- On Friday, July 12, we have a special visitor coming. The children will get to play in foam!! They will wear their bathing suits and run around as the machine spits out foam! It is so much fun. If you would like your child to wear goggles, please feel free to send them but they are NOT necessary.
