

WATER DAY INSTRUCTIONS

Water play will be from 9:30 a.m. – 11:45 a.m. every Tuesday during summer camp.

Please be sure to apply sunscreen to your child before coming to camp on sprinkler days. DO NOT SEND SUNSCREEN TO CAMP WITH YOUR CHILD. Sunscreen will not be re-applied unless we have a prolonged period of outside time, in which case we will use the school supply of SPF 30, children's sunscreen.

****Girls:** Girls should wear their bathing suits under their summer camp clothes with water shoes on their feet. Please put longer hair up into a ponytail if possible.

Please send the following items in your school tote bag: Towel, underwear, sneakers and socks.

****Boys:** Boys should wear their bathing suit, shirt and water shoes to camp.

Please send the following items to camp in your school tote bag: Towel, underwear, camp shorts, sneakers, socks and “swim diaper” if your child is in the one year old or two year old room.

Please be sure to label ALL items with your child's name! This is very important to avoid their items being misplaced or sent home with the wrong child!
