**Theme:
Construction**

The next 2 weeks we will be focusing on our construction theme. Each day we will have a fun construction activity. If you have any books to go along with our theme, please bring them with you to class. Also, please remember to label the book with your child's name.

Language:

We will be reading books and singing songs that are within the construction theme. If you have any books about construction, please bring them in to share.

Art:

We will be creating different art including using construction cones to make our names, the kids will use Legos to make structures, we will paint a construction cone, and color a dump truck and add brown paper for the dirt are just a few of the projects that will be done.

Math:

We will be exploring numbers and counting using different construction vehicles and construction tools.

Motor:

The children will be doing different activities that are within the construction theme such as walking like a bulldozer. Weather permitting, we will be going outside daily.

Sensory:

The children will explore different textures while exploring what it is like for a construction vehicle in sand.

Water Day:

We will be having a water day July 17th. Please make sure your child comes to school in their swimsuit and sunscreen, we will reapply sunscreen as needed. Your child can wear water shoes and please make sure you bring an extra pair of shoes along with extra clothes and a towel.

Have a great 2 weeks!
