Our theme for this week is Construction Zone. We'll be constructing bridges and buildings and measuring our creations. Before we measure we'll estimate how big we think they are. Other activities this week will be making a construction site and dump truck relay races. We'll be creating lego blueprints and brick sponge painting. Our STEAM projects are "dirt" play doh, and building with cups. Our review will be pounding out the alphabet and dump truck counting. In Language we'll read *Pete The Cat Construction Destruction, Jack's House, and Up Up Up Skyscraper.*
