

# SUMMER CAMP NEWS

**Weeks 5 and 6: July 8-19, 2024**  
**Theme: Pirates**

We'll continue our STEAM Ahead Summer Camp with our next two week theme, Pirates. The children will be learning about all things pirate through tons of great activities.

#### Language Arts:

Story books, poems, songs, and flannel boards will teach the children about the pirates, pirate ships, treasure chests, and even some of the words pirates used, and the clothing they wore.

#### Concept:

The children will be counting pirate ships, gold coins, and feathers on a parrot to practice their number skills.

#### Motor:

The children will enjoy walking our balance beam plank, as they try not to fall in our pretend water!

#### Craft and Writing:

Look for pirate themed crafts to be coming to your home. We will use a variety of art materials to create these projects.

#### STEAM:

Our little pirates will turn the classroom and playground into a pirate ship. All aboard! Several hands-on activities will help the children learn about life as a pirate.
