Theme:
Construction

The next 2 weeks we will be focusing on our construction theme. Each day we will have a fun construction activity. If you have any books to go along with our theme, please bring them with you to class. Also, please remember to label the book with your child's name.

Science:

During science time the kids will get a chance to explore the sensory table that will be filled with corn kernels, rocks and construction vehicles. Marshmallows will be used to see what the kids can build and they will be exploring the alphabet with sand.

Math:

For our math activity this week we will work on a construction color by number along with a construction dot-to-dot paper.

Language:

The next 2 week we will be singing construction themed songs, we will have a flannel board story about a hammer and nails and we will be reading books to enhance our theme of construction. If you child has any construction themed books, please bring them in to share. They will also be playing construction bingo and will be counting tools and talking about what they are used for.

Motor:

We will be doing a movement activity where the kids will be moving like machines that you would use at a construction site and we will be playing a game of construction cone ring toss. They will build with blocks to make a marble run and they will be building roads to drive their construction trucks on.

Art:

The kids will be creating many different art projects that will reinforce our theme of construction. They will be painting a construction cone, coloring a dump truck and then they will glue brown paper on for the dirt, they will be painting with Legos and a construction stop sign will be made.

Theme Papers:

The kids will be working on their fine motor with some cutting papers and following the line construction papers. They will also make a construction book about colors and will sort out construction tool.

Important dates to remember:

August 5th – School Closed – Teacher Institute Day

August 6 - 9 Daycare Week – No Preschool kids this week!

Any preschool children that are not attending the fall school year, your last day will be week ending Friday, August 2nd.

Monday, August 12th is our first day of 2024-2025 school year!

Any daycare children that are not attending the fall school year, your last day will be week ending Friday, August 9th.

Have a great week!

Mrs. Debbie, Miss RaeVen & Miss Savannah
