

Safari/Jungle

Week #7: July 22 - 26, 2024

A special visitor will be at our school on Wednesday 6/28.

Language Arts: Grab your binoculars to discover and search for Safari animals. The children will learn all about lions, tigers, elephants, zebras and many more animals. We have books, flannel boards and songs to help enhance our topic.

Craft and Writing: Be prepared for some amazing projects to come home this week. We will be using many different art mediums to create a flamingo & lion craft, a safari hat and more. The children will also have free coloring time and work on readiness papers.

Concept: We have some very exciting science experiments to watch and enjoy. We will make elephant tooth paste! There will be block building and sorting activities. We will continue to practice the days of the week and the months of the year. We will also see how high we can count daily!
