

## Lockport Summer Camp

Week #6

July 15—19, 2024

# TRANSPORTATION

### LANGUAGE AND READING:

It is Transportation week here at Bobbie Noonan's! The children are going to enjoy this ride as we discuss, cars, planes, trains, boats and any other form of transportation that you can think of. We will have plenty of books and flannel board stories to help. We will learn some new vocabulary and we may even label the correct word to the part it belongs to. We are certain to sing 'The Wheels on the Bus', this week as well.

### CONCEPT:

During concept this week, the children will be driving their cars to match the appropriate letters and numbers. We will graph which form of transportation is our favorite and we will have the children guess how many cars are in the estimation jar. Lastly, we will have a car wash!!

As always, we will review the calendar. The kids will say the days of the week, the months of the year and we will discuss the season of summer.

### CRAFT AND WRITING:

We have many readiness and craft papers to enjoy this week. The children will design their own cars. We will have free coloring on various forms of transportation. The children will make their very own shape train and paper plate car. Readiness tracing and matching papers will be done as well.

### PARENT NOTES:

We are going to have a special visitor this week. This visitor will bring work trucks for the children to explore.

We have availability for the fall 2024-25 school year. Spread the word and have your friends and family enroll today!

Refer a friend and receive a week's tuition free if they enroll!
