Concept: The children will enjoy estimating and counting objects for one- to -one correspondence. The pink tower and alphabet buckets will be demonstrated.

Craft & Writing: Along with learning how to print letters A and B, the children will create several crafts using these letters. **BEE POLITE** will be created to enhance our manners theme.

Motor: Throughout the course of the year, the children will participate in various physical games or activities to improve their balance, coordination, and muscle development. Please send your child to school in gym shoes to help with these physical activities.
