

Junior Journal

Theme: Dinosaurs

Language Arts: The Picture File will help enhance our classroom theme discussions. This week we will focus on tails, heads, and plates of dinosaurs. Echoing is a wonderful listening activity which will take place in class this week.

Concept: We will begin studying the numbers 1 and 2, and practice counting objects and putting them in order. Our exploration of different types of Dinos will continue...**RAWR!!**

Craft & Writing: Printing of numbers 1 and 2 will be our main focus this week. We will decorate our new numbers too! The children will make dinosaur footprints using our toy dinosaurs and create a Dino Egg.

Motor: Eye/hand coordination is enhanced by using the ball and wand. Eye/foot coordination is developed as we walk across the balance beam and "walk over" a block placed on the beam.

Rylie Cassidy 9/2

Taylor Phillips 9/3

Ryleigh Faiman 9/5

Introductions

Introductions

Numbers: 1, 2

Vocabulary:

Eliminate- to get rid of

Discuss - to talk to others

Dinosaurs, Dinosaurs,
Dinosaurs, Dinosaurs,
Dinosaurs!!!
What a fun topic. We can't
wait to explore some more.

Reminder: We are closed
Monday, September 2, for
the Labor Day holiday!

Mrs. Roxanne, Mrs. Catherine
and Miss Taylor
